

In-Ceiling Speakers

USA Product with Reputation known since 1967, has pioneer in the multi room audio industry, that is why it is recognized as preferred speakers for audio distribution system world wide.

Awards

As part of Russound's premium loudspeaker line, the SP-H6TT is an audiophile-grade ceiling speaker designed to offer outstanding sound. It delivers superb clarity and natural tonal response from any source, easily rivaling stand-alone loudspeakers.

Compact and unobtrusive, the SP-H6TT can be angled to focus its output at the prime listening area without occupying more space than a typical nonadjustable speaker

- Applications:**
- Audio for Luxury Homes
 - Audio at Luxury Offices
 - Hotel Banquet Halls Audio System
 - Smart School Audio Media Sharing and Distribution
